

IT'S HERE!!

FAMILY LEARNING VACATION

Join us for a one-day interactive event dedicated to empowering children with hearing loss and their families with the knowledge and skills needed to navigate emergencies with confidence.

Guided by this year's theme, "Together We Thrive," we will foster collaboration, resilience, and preparedness to ensure every child has the tools to stay safe in any situation.

- ✓ Engaging workshops, hands-on activities, and real-world scenario practice
- ✓ Meet other families with similar experiences
- ✓ Only \$25 per (one household) family
- ✓ Lodging available for families living more than 2 hours away, but space is limited.
