

2025

KENTUCKY EARLY HEARING DETECTION AND INTERVENTION SUMMIT

Working Together to Improve Outcomes for Children in Kentucky

Friday, June 13, 2025
9 a.m. to 4 p.m.

University of Louisville Shelby Campus
Founders Building
450 N. Whittington Parkway
Louisville, KY 40222

This summit has been designed to provide an in-depth review of the latest early hearing detection guidelines, treatment and intervention. Presentation topics will include recommendations for identifying hearing loss in infants; legal obligations for hearing-targeted screenings, including Bella's Law; up-to-date intervention and treatment options; risk factors for hearing loss, including congenital cytomegalovirus; and available resources in Kentucky.

To register, visit **NortonCME.com** and locate this activity or scan the **QR code**.

AMA PRA Category 1 Credits™ and other continuing education credits will be provided. American Speech-Language-Hearing Association and American Academy of Audiology continuing education credits have been requested.
